

Bears in the Woods

Newsletter – Mid-Summer 2010

Message from President Rick Lamb ... Summer has finally come to Tahoe, and it is gorgeous. The Bears came out of hibernation to hear Chancellor Birgeneau speak at the Deck Party at the Hubbard's home. It was a beautiful evening on the golf course, and the Chancellor did a great job of addressing many of the issues we all are concerned about, including why Jeff Tedford makes more than he does. He discussed his approach to the budget issues, as well as his personal commitment to "Comprehensive Excellence." About 70 people attended and had a chance to mix with the Chancellor, his wife Mary Catherine, and Vice Chancellor Scott Biddy.

The summer fun continues with another guy that makes more than the Chancellor, basketball coach Mike Montgomery, who will be speaking at our Sand Harbor picnic on August 19th (reservation form below). By the way, in the interest of equality, the women's basketball coach Joanne Boyle also makes more than the Chancellor. Mike is an engaging speaker with lots of insight into Pac 10 basketball and holds the special honor of leading the Bears to their first **conference title** in 50 years this past season. We hope to see you at Sand Harbor, this year's bargain at \$25.00.

We are also putting the finishing touches on a big roster of events for the Cal/UNR football game on Friday, September 17th in Reno, including a rally on Thursday night at the Eldorado and golf on Friday. We'll be announcing all the details in our next newsletter ... Cheers, Rick
